The diagram is a simple tree structure. At the top is a rectangular box labeled 'Machine Learning'. A vertical line descends from the bottom center of this box and meets a horizontal line. From the left end of this horizontal line, a vertical line with a downward-pointing arrowhead leads to a box labeled 'Supervised'. From the center of the horizontal line, a vertical line with a downward-pointing arrowhead leads to a box labeled 'Unsupervised'. From the right end of the horizontal line, a vertical line with a downward-pointing arrowhead leads to a box labeled 'Reinforcement'.
